Tasting Notes

| **Sight** Well-covered layer, deep and intense cherry color and lively bluish reflection | **Aroma** Huge aromatic complexity, red fruits together with a soft touch of licorice | **Palate** Intense and mineral, with a smooth and persistent mouthfeel | **Pairing** Perfect for red meats, roasts and cold meat

The vineyard is located in Campo de Calatrava, in the province of Ciudad Real. It is geologically characterized for being one of the most important volcanic areas of the peninsula, with 5000 square kilometers and 240 differentiated volcanic buildings.

The varieties used to elaborate the wines with are Riesling, Tempranillo, Bobal and Garnacha. They are cultivated applying the best techniques of traditional and modern viticulture, until getting the optimal adaptation of each variety from its plot of land. The total vineyard area is 40 hectares.

The sum of the geographical characteristics, climate and culture, allows to obtain the best conditions for the development of the vine in this soil, contributing quality and singularity to our wines
