Alc. Vol.	13.9%
Production	n/a
UPC Bar Code	878401000277

Tasting Notes

This Malbec is slightly reddish, bright; with aromas of cherry, strawberry and currant on the palate it is fruity, fresh with medium body with elegant tannins, soft and delicate, expressing the typical character of our Malbec

Vicentín Winery was founded in 2009 when the Vicentin family decided to enter the wine industry with the aim of creating and offering the world its personal version of the great Argentine wine, Malbec.

The first step was the selection of the vineyards in the wild desert of the Andes; the land with the best soil, the best raw material, the best tannins and the most optimal fruit quality. They employed families, who for several generations had nurtured the vineyards with their love, secrets and particular grapes. In this way, uniqueness was achieved and are able to produce a variety of wines across various vineyards.
